

COLOURPLUS

SLIP RESISTANT COLOURED COATING

COLOURPLUS

Slip Resistant Coloured Coating

Description

Coloured single pack acrylic surface coating with slip resistant properties.

Key Features and Benefits

- Easy to apply
- Fast drying
- Range of strong, UV stable colours to industry standard colour references
- High opacity
- Lead free
- Striking visual appearance
- Slip resistant properties
- Ideal for rejuvenating faded high friction surfacings
- Excellent as sole demarcation treatment in lightly trafficked areas
- Versatile - can be used on a variety of surfaces i.e asphalt, concrete surface dressing etc.
- Roller, squeegee, or brush application
- Spray formulations available
- Low cost compared to alternative treatments
- Minimal preparation required on most substrates

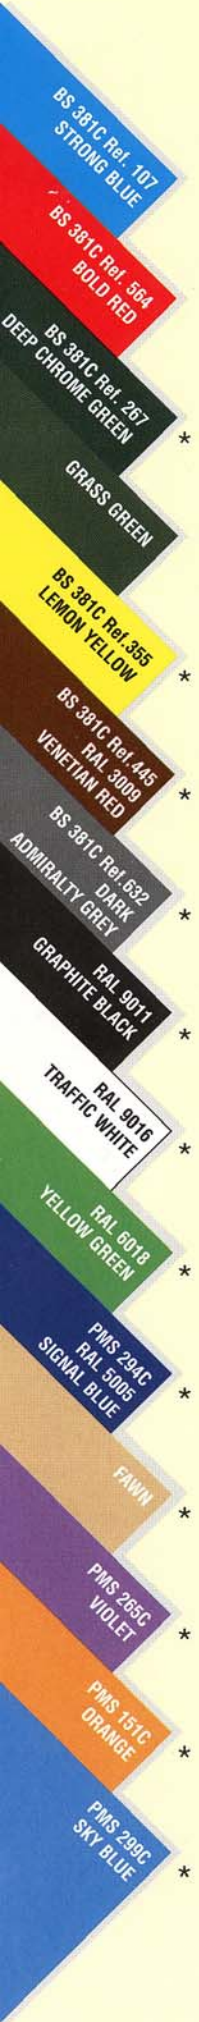

Areas of Use

- Cycleways
- Walkways
- Car parks
- Driveways
- Central reservations
- Lightly trafficked roads
- Airports
- Docks
- Factories
- Parks
- Playgrounds
- Footbridges

For further details, please phone us and ask for a copy of our technical data sheet.

Application equipment also available.

Due to the limitations of the four colour print process, colours may not be an exact match. Please call us for actual Colourplus swatches.
